Just a Note

Welcome to the beginning of a brand new year! Hopefully 2012 will be as good or better for our music program as 2011 was. Performance level (can we say that?) is wonderful and has never been stronger. Obviously you are letting God use your talents in a BIG way and I know our congregation is appreciative. Your dedication and desire to help lead worship in our church is both spiritual and rewarding. How very blessed we are to be able to use our gifts. Please put this schedule for 2012 in a happening household space so all can keep track of what Sunday you sing or ring. There are lots of things in store for this year so stay tuned. I will try to do a better job of getting a newsletter out. We can always use more participants so please keep your eyes AND ears open for potential singers and ringers. Here's wishing all of you a prosperous and spirit filled 2012.

Bill
